

Come Grow With Us!

Jasper-Lake Sam Rayburn Area Chamber of Commerce Membership Benefits

The Jasper-Lake Sam Rayburn Area Chamber of Commerce wants you to become a member of our family and come grow with us. We would like for every business in and around Jasper to be a part of our organization. Currently, membership in the Chamber brings the following benefits, and we are adding more each year:

- Chamber Members are listed in the Jasper-Lake Sam Rayburn Area Chamber of Commerce membership directory.
- Free listing on our website business directory.
- Advertising opportunities on our website and in our bi-monthly newsletter.
- Free notary services. Check to make sure notary is in the office before you come.
- Assistance in developing and promoting your grand opening (we will do a ribbon cutting), or your move and/or expansion.
- Discount postage. By using the Chamber's bulk mailing permit, you can save some money. You must have 200 or more identical pieces of mail and use the Chamber's return address.
- Networking opportunities. Business Builders Breakfast are held every month, and periodical meetings of the Think Tank help to involve our members in the issues of our community and the surrounding areas.
- "Strut Your Stuff". Bring your business cards and brochures to the Chamber office and display them on our racks in the lobby for all our in-town and out-of-town visitors to see.
- "Gimmie Bags". The Chamber regularly puts together "Gimmie bags" full of promotional items for distribution to various groups visiting the area for events.
- Unlimited referrals. Inquiries coming into the Chamber office for referrals to various types of services and products will be referred to our member businesses FIRST.
